Maranatha Orphanage & School
May 2018**

Dear Friends of Maranatha,

We would like to thank each of you who made a special effort to support our school lunch program for the month of April. The children were extremely grateful to receive three lunches each week. **Would you consider donating funds to feed the children each school day in the months of May and June?** Adding \$1,000 to our monthly budget will allow us to resume a daily lunch for over 300 students.

Our Director, Maurice, writes:

"Thank you for your support for the food. This year the children at Maranatha do not make as much progress at school because they don't eat every day. When they come to school, many are coming without anything to eat. In Haiti the poor are becoming poorer day by day while the rich become richer. The situation is very bad. The parents don't have work. There are many problems. Pray for us. We continue to

pray for the supporters. The children were happy to eat three times each week. I am sending you these photos to send to the supporters."

Thank you.

God bless you.

Joseph Maurice Dena

Thank you once again for every sacrifice you make for the children of Maranatha. With your help we can bring joy to Haiti's children!
